

A GRANT PROGRAM FOR ORANGE COUNTY SCHOOLS

The Orange County Math Initiative is a community partnership to help teachers elevate student math achievement in Orange County.

The Orange County Math Initiative is specifically designed to impact the 164 invited schools throughout OC dominantly in the lower three deciles of California's Academic Performance Index.

The Orange County Math Initiative is a partnership between the Orange County Department of Education, participating corporations and the MIND Research Institute.

Orange County corporations are funding the partnership to meet their ongoing needs for employees at all levels of business who possess math skills.
